

**CITY COUNCIL - BOROUGH ASSEMBLY
JOINT WORK SESSION AGENDA**

Wednesday, January 27, 2016

Assembly Chambers

7:30 p.m.

(Borough Chairing)

Joint work sessions are informal meetings of the Borough Assembly and City Council where elected officials discuss issues that affect both Borough and City governments and residents. Although additional items not listed on the joint work session agenda are sometimes discussed when introduced by elected officials, staff, or members of the public, no formal action is taken at joint work sessions and items that require formal action are placed on a regular Borough Assembly and/or City Council meeting agenda. Public comments at work sessions are NOT considered part of the official record. Public comments intended for the "official record" should be made at a regular Borough Assembly or City Council meeting.

Can you please pass this along to the Mayor and members of the Assembly.

Thanks,

Bud

Mayor and Assembly members -

Ms. Cynthia Franklin Director Alcohol Beverage Control Board, has been invited to speak in Kodiak on Thursday, January 28 as part of the Rural – Regional Forum on the issue of Marijuana laws and how it will be regulated. Assembly member Larry Ledoux suggested contacting her to see if she is available to speak to the Assembly/Council/public on Wednesday night. I have made contact with her and she is indeed available to speak.

I am trying to gauge interest on meeting sometime on Wednesday, January 27 with Ms. Franklin. She arrives on around 4:30.

Please confirm with the clerk's office if you are interested in such a presentation and public meeting.

Thanks,

Bud
