

KODIAK CITY COUNCIL

PLANNING WORK SESSION AGENDA

Saturday, January 14, 2012

**Kodiak Island Fisheries Research Center
10 a.m.**

Planning sessions are extended work sessions of the City Council where Councilmembers discuss policy issues and projects and receive information from staff. Additional items not listed on the planning work session agenda are sometimes discussed when introduced by the Mayor, Council, or staff; no formal action is taken at planning work sessions, and items that require formal Council action are placed on a regular Council meeting agenda. Public comments intended for the "official record" should be made at a regular City Council meeting.

Discussion Items

1. Public Comments (limited to 3 minutes)
2. Review of Proposed Asset Management Plan, Financial Trends, and Revenue Options
