Joint work sessions are informal meetings of the City Council and Borough Assembly where elected officials discuss issues that affect both City and Borough governments and residents. Although additional items not listed on the joint work session agenda are sometimes discussed when introduced by elected officials, staff, or members of the public, no formal action is taken at joint work sessions and items that require formal action are placed on a regular City Council and/or Borough Assembly meeting agenda. Public comments at work sessions are NOT considered part of the official record. Public comments intended for the "official record" should be made at a regular City Council or Borough Assembly meeting.
