

**CITY COUNCIL - BOROUGH ASSEMBLY
JOINT WORK SESSION AGENDA**

Wednesday, September 13, 2017

School District Conference Room

7:30 p.m.

(Borough Chairing)

Joint work sessions are informal meetings of the Borough Assembly and City Council where elected officials discuss issues that affect both Borough and City governments and residents. Although additional items not listed on the joint work session agenda are sometimes discussed when introduced by elected officials, staff, or members of the public, no formal action is taken at joint work sessions and items that require formal action are placed on a regular Borough Assembly and/or City Council meeting agenda. Public comments at work sessions are NOT considered part of the official record. Public comments intended for the "official record" should be made at a regular Borough Assembly or City Council meeting.
