

KODIAK CITY COUNCIL
WORK SESSION AGENDA

Tuesday, December 12, 2017
Kodiak Public Library Multi-Purpose Room
7:30 p.m.

A quorum of the Council was not present at the December 12, 2017, work session. The session was called to order, public comments were provided, and the work session ended.

Work sessions are informal meetings of the City Council where Councilmembers review the upcoming regular meeting agenda packet and seek or receive information from staff. Although additional items not listed on the work session agenda are sometimes discussed when introduced by the Mayor, Council, or staff, no formal action is taken at work sessions and items that require formal Council action are placed on a regular Council meeting agenda. Public comments at work sessions are NOT considered part of the official record. Public comments intended for the "official record" should be made at a regular City Council meeting.
