

Kodiak Area Emergency Services Organization

KODIAK, ALASKA, FOR IMMEDIATE RELEASE: June 30, 2020

The information received from the Alaska Department of Health and Social Services about the two COVID-19 cases reported on Friday, June 26th has been updated to confirm that the individuals are both nonresidents. One case is classified as community spread, from close contact with a previously confirmed case; the other is travel related. The individuals are isolated and being monitored; the contact investigation is complete.

IF YOU ARE FEELING SICK OR SUSPECT THAT YOU MAY BE INFECTED WITH THE VIRUS that causes COVID-19, you should remain at home and contact your health care provider; you should also take steps to help prevent the disease from spreading to people in your home and community.

If you are not sick, please continue to take precautionary measures to stay healthy:

- Wash your hands often with soap and water for at least 20 seconds.
- Cover your cough or sneeze with a tissue, or cough or sneeze into your elbow.
- Wear a mask/face covering when out in public.
- Maintain social distancing (keep six feet of distance between you and others) when out in public.
- Keep your social circles and gatherings small and limited.
- Clean frequently touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using a regular household detergent and water.
