

Kodiak Area Emergency Services Organization

KODIAK, ALASKA, FOR IMMEDIATE RELEASE: September 1, 2020

The Alaska Department of Health and Social Services has notified the Kodiak Emergency Operations Center of positive test results for COVID-19 associated with the Kodiak Island Borough.

Two (2) new cases have been reported for the Kodiak Island Borough. The first is a non-resident travel-related case. The second is a resident case of community transmission. Staff from the Department of Public Health are conducting contact investigations and will remain in contact with the individuals to ensure self-isolation and care. **This brings the case counts associated with the Kodiak Island Borough to sixty-six (66); these two (2) cases are currently classified as active locally.**

Please be reminded: IF YOU ARE FEELING SICK OR SUSPECT THAT YOU MAY BE INFECTED WITH THE VIRUS that causes COVID-19, you should remain at home and contact your health care provider; you should also take steps to help prevent the disease from spreading to people in your home and community.

If you are not sick, please continue to take precautionary measures to stay healthy:

- Wash your hands often with soap and water for at least 20 seconds, especially after using the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Cover your cough or sneeze with a tissue, or cough or sneeze into your elbow.
- Clean frequently touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using a regular household detergent and water.
- Keep your circles small and social gatherings limited
- Wear a mask/face covering when out in public
- Maintain social distancing (keep six feet of distance between you and others) when out in public.
