

Kodiak Area Emergency Services Organization

KODIAK, ALASKA, FOR IMMEDIATE RELEASE: April 9, 2021

The Kodiak Emergency Operations Center has received new COVID-19 case information for the Kodiak Island Borough.

Two (2) new cases have been reported for the Kodiak Island Borough.

- **One (1) new case was tested on 4/6/21, and is considered community transmission**
- **One (1) new case was tested on 4/7/21, and is considered community transmission**

This brings the current case count associated with the Kodiak Island Borough to one thousand and ninety-seven (1097); fourteen (14) cases are classified as active locally.

To date, there have been a total number of forty-four (44) local hospitalizations and five (5) deaths associated with COVID-19; one (1) active case is currently hospitalized in Kodiak.

The COVID-19 virus is highly contagious and is still present in our community; please continue to take appropriate precautions to keep yourself and our community healthy.

- **Wear a mask when in public; masks are strongly recommended.**
- **Stay home and away from others if you are not feeling well!**
- **When planning travel, plan for a few days off at home and testing before returning to normal activities in case you have carried the virus with you.**
- **Limit social gatherings and maintain six feet of distance between yourself and others who are not in your household.**

Keep Kodiak safe! Together, we can avoid another COVID-19 surge.
