

Kodiak Area Emergency Services Organization

KODIAK, ALASKA, FOR IMMEDIATE RELEASE: April 26, 2021

The Kodiak Emergency Operations Center has received new COVID-19 case information for the Kodiak Island Borough.

Two (2) new cases have been reported for the Kodiak Island Borough.

- **Both cases were tested on 4/23/21**
 - **One (1) case is considered community spread**
 - **One (1) case is travel related**

This brings the current case count associated with the Kodiak Island Borough to one thousand, one hundred and ten (1112); four (4) cases are classified as active locally; there are no active cases currently hospitalized in Kodiak.

To date, there have been a total number of forty-five (45) local hospitalizations and five (5) deaths associated with COVID-19.

The COVID-19 virus is highly contagious and is still present in our community; please continue to take appropriate precautions to keep yourself and our community healthy.

- **Wash your hands often**
- **Wear a mask when in public**
- **Stay home and away from others if you are not feeling well!**
- **When planning travel, plan for a few days off at home and testing before returning to normal activities in case you have carried the virus with you.**
