3. This answers the following proposer questions:

Answer: Faxed and electronic proposals will not be accepted.
  - B. Question: Alternatively, will there be forbearance should weather prohibit delivery of proposal the day before it is due?  
Answer: Recognizing the challenges associated with flights into Kodiak the deadline for receipt of proposals has been extended to 2:00 p.m., prevailing time (AK), December 10, 2021.

This addendum changes the Request for Proposals opening Date.
