

## ADDENDUM TO CITY OF KODIAK DOCUMENT PRODUCTION EQUIPMENT LEASE BID NO 2019-006

Corrections to Specifications of device for City hall clarification in large capacity tray and an error in the number of copies annually

The corrections are in bold type:

City Hall:

Provide equipment to replace a Xerox 7855 Copier, located at City Hall, 710 Mill Bay Road, Room 222, with a new machine that meets or exceeds the duty cycle of the current machine and has the additional minimum following features:

- One paper tray capable of holding 4,000 sheets, **can be split into multiple high capacity trays of same paper size (8½X11) that automatically switch to next tray when empty**
- ~~500,000 copies~~ **250,000 copies** annually included in lease (specify number of color copies included)
- Maximum capacity booklet creation (multi fold/stitch modes) capable of stitching at least 100 pages
