Subject: Disaster Funding Update: New Info
To: Rep. Louise Stutes <Rep.Louise.Stutes@akleg.gov>

Good Morning,

I hope everyone's fishing season is going better than mine. We need some rain down here
STAT!!!

I just wanted to key everyone in on a little new information on PSMFC's disaster website. Please
see below:

***Gulf of Alaska Pink Salmon: The Commission is working with ADFG and
correspondence regarding the distribution of funds will be released by late
July 2019. Paperwork must be returned to the Commission office by
September 30, 2019 to be considered for payment. If you have any questions,
you can call 1-888-517-7262.***

It looks like they wont be sending anything out until the end of the month, so if you have
extenuating circumstances, such as a lease arrangement or something similar, now is a good time
to reach out to start an appeal, change your address, etc.

Please let me know if you have any questions.

Sincerely,

Matt Gruening
