TERMS

User's Initials (Read carefully)

- _____ I agree to arrive at least 30 minutes prior to the scheduled "on" time. If I'm late, my vessel will lose its priority and standby vessels will go on in my place. If I am not available to move my vessel off the grid when scheduled, I understand that it will be towed at my expense.
- _____ If my plans change, I will notify the Harbormaster's Office (HMO) by phone (486-8080) or VHF Ch 12 at least twelve hours prior to the scheduled "on time." If I am a "no show" I understand that I will be charged for each tide scheduled.
- _____ I understand that permission must be requested from HMO to stay beyond my scheduled time and will be granted only if space is available. If my vessel doesn't float at my scheduled "off" time, I will be billed until the vessel departs.
- _____ I will moor my vessel in the approximate location assigned above. Positioning and securing is my responsibility.
- _____ I will follow proper safety procedures when welding and using pollutants near the water and remove my debris.
- _____ I will promptly report to HMO injuries or damage (to my boat or the grid) that may occur while using the facility.
- _____ I understand that the beach at the gravel grid is uneven and I accept it in "as is" condition. I will inspect it during the low tide immediately preceding my scheduled "on time" and arrange for grading if I deem it necessary. I accept the fact that there may be a risk of damage to my vessel when it is beached.
- _____ I understand that the City is not liable for personal injury or vessel damage and agree to indemnify and hold the City harmless from loss, damage or injury while my vessel is on the grid. I am responsible for the safekeeping of my vessel, its gear and my personal property.

This agreement is between the City of Kodiak and the undersigned "user." User agrees to the above terms and conditions.
